# HOW TO GET OCEAN AND TOWING CHARGES

[www.atlanticexpresscorp.com](http://www.atlanticexpresscorp.com)

The screenshot shows the Atlantic Express Corp. website interface. At the top, there is a navigation bar with the company logo, a VIN tracking field, a 'Track' button, a 'REQUEST A QUOTE' button, and links for 'Register/Login'. Below the navigation bar is a main header with 'Worldwide car shipping from USA' and a sub-header 'Have your car at destination in ~6 weeks\*'. A central form titled 'GET INSTANT QUOTE' asks 'What are you shipping?' and offers 'SHIPPING INSURANCE from \$45 only!'. The form includes a grid of vehicle type icons: MOTORCYCLE, PASSENGER CAR, REGULAR SUV, OVERSIZE SUV, PICKUP, and VAN. Below this, there are fields for 'Location' and 'To' (port), a checkbox for 'Rate from port', and a 'Contact information' field for 'Email'. A 'REQUEST A QUOTE' button is at the bottom right of the form. Three blue callout boxes with white arrows point to specific parts of the form: 'Click On Type of Automobile' points to the vehicle type grid; 'Input Origin of Shipment' points to the 'Location' field; 'Input Your Email' points to the 'Email' field; 'Input Destination Detail (Jebel Ali Port as Default)' points to the 'To' field; and 'Click on Request Quote' points to the 'REQUEST A QUOTE' button.
